SUBMISSION OF REPLACEMENT SEQUENCE LISTING IN
ACCORDANCE WITH 37 C.F.R. §§ 1.821-1.825

Sir:

Please replace both the paper and the computer readable copies of the Sequence Listing filed with the subject application with the replacement paper and computer readable copies of the Sequence Listing submitted herewith.

The sequences in the paper and computer readable copies of the Sequence Listing filed herewith appear in the application as-filed in the Sequence Listing and in the Figures and/ or text. The replacement Sequence Listing differs from the as-filed paper Sequence Listing only in that the application serial number has been added <item 140> and the title (item <120>) has been corrected to match the title of the application. For at least these reasons, the paper and computer readable copies of the Sequence Listing submitted herewith contain no new matter.

It is believed that no fee is due in connection with this submission. However, the Commissioner is hereby authorized to charge any fee or credit any overpayment arising from this communication to Deposit Account No. 11-0600.

Respectfully submitted,

Dated: 15 October 2001
